

Greetings,

Please give our friends the referral paperwork and email Teresa at the email address below with any AZ@work job referrals.

Ann Lund

**Subject:** Re: Thank you

If there are any referrals, was it decided if the referral would be emailed to us or given directly to the "friend" or maybe even both.?

I would like to have all referrals sent to me by email so that I can make sure we have equal distribution of the Workload amongst

staff.

Thanks again.
